Allowable Subject Matter

1. Claims 1 and 3-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not disclose a system for varying the impedance of a motor by connecting each phase of the motor to a first and second terminal of an inverter and varying the phase angle difference between the first and the second terminal of the inverter, wherein said second terminal is distant from the first terminal leaving a number of skipped terminal in between the first and the second terminal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I Duda whose telephone number is 571-272-2062.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Martin can be reached on 571-272-2800 ext. 37. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
